(Designation)

1. In cases where more establishments than one are owned by the same employer a separate return should be furnished for each establishment. When in any establishment the workmen employed fall in two or more of the distinct categories to which the return relates, *e.g.*, in the case of a tea estate categories A and D (iv) a separate sheet should be used for the statistics of each category.

2. Under "nature of work" enter the class of establishment according to the process or product, *e g.*, cotton weaving and spinning factory, gold mine.

3. Include all employees whether permanent or temporary who would in the case of accidents be eligible for compensation under the regulation and for whom a return is required to be furnished. Numbers employed should be shown even if there are no payments of compensation to report.

4. Include only those cases in which the final payment of compensation was made during the year. A deposit with the Commissioner should be treated as a payment by the employer.

5. Include all compensation paid in respect of the cases mentioned in footnote 4, whether such compensation was paid during the year or previous to its commencement. Exclude all payment in cases in which the final payment had not been made by the end of the year to which the return relates.

6. Only such disablements as last for more than seven days should be shown (Section 4 (1) D of the Regulation).

7. Where the benefit actually allowed (*e.g.*, hospital leave on full pay) is in excess of the compensation admissible under the Regulation only the amount of the compensation so admissible should be entered in the return.

8. *Viz.*, anthrax, lead poisoning, phosphorus poisoning, mercury poisoning, benzene poisoning, chorome ulceration and compressed air illness only.

9. Here enter separately each of the diseases specified in footnote 8 which resulted in cases in respect of which compensation was paid.

10. Please note that failure to furnish the correct return to the prescribed authority within the prescribed time constitutes an offence under Section 17-A of the Workmen's Compensation (Amendment) Regulation 1936 and it is punishable with fine which may extend to one hundred rupees.
